I _____ commit to reading _____ (circle one: hours/minutes) this summer 2021. I understand that if I complete my goal by Friday, August 13th I will qualify for a prize that will be given at the Summer Reading Party on Saturday, August 14 at 10 am. I also understand that for every 15 minutes of reading that I do (books, magazines, comics, newspapers, graphic novels, etc.) I will receive a raffle ticket that will go toward one of the big library prizes. It is my responsibility to keep track of my minutes and report them to the library when I am able, in order to receive my raffle tickets. I will put my assigned number on each ticket that I get and put it in the jar at the library. I understand that I can also get a ticket by doing library challenges.
