

## ***APL'S TRIPLE DOUBLE BINGO 2023***

WELCOME TO TRIPLE DOUBLE BINGO 2023

GRAB A TRIPLE DOUBLE BINGO CARD, or grab a couple!

The book list below will guide you through your game. It consists, mostly, of picture books (PB), youth biography (Y BIO), and folk tales (Y 398.2), but also a few board books (BB) and other surprises.

**Why youth books?** Often as readers we leave the youth area behind as our reading skills improve. This is unfortunate as there are many creative and special gems in the youth category. We encourage you to take the time to appreciate the playful nature, clear language, beautiful art, and interesting background stories of these wonderful books. This collection is a great way to learn something new, remember the simple joys that life has to offer, and see the world through a child's eye once again.

**To Play:** Match your BINGO square(s) to the **main category** or **subcategory** below, and then find and read the books listed in the **TITLES** column. If you find different titles that also fit the main category, feel free to substitute as you like. The intent is for you to read 2-3 loosely related but unique titles to complete each square.

Don't forget to set a reading goal and claim the center square!

Most of the books can be found in the **Youth area** and the **Biography** section in the hallway.

And, of course, the library staff will be happy to assist you in your reading quest. Have fun, and happy reading!
