FEBRUARY BOOK GROUP

When Ann Stilwell arrives in New York City, she expects to spend her summer working as a curatorial associate at the Metropolitan Museum of Art. Instead, she finds herself assigned to The Cloisters, a gothic museum and garden renowned for its medieval art collection and its group of enigmatic researchers studying the history

of divination. On **Thursday, February 29 at 4PM**, we will meet at the library and online to discuss this month's book. Pick up a copy at the library. Email us for the zoom link if you cannot meet in person.

TOWN MEETING VOTE

The library budget will be voted on at Town Meeting. We need your help. If you have any questions about our budget, please contact the library and we will connect you with a Trustee. Our budget information is on our website: Library@Williamstownvt.org.
